snack1952@comcast.net

The CMP shooting event is a 50-round shoot, which will qualify the shooter to purchase firearms from the CMP program. While this event is open to the public, the shooter does not qualify to purchase firearms through the CMP program. The shooter must be a member of a CMP associated club.

The BCSC can supply you with the use of a firearm and ammunition for a cost of \$30.00. If you supply your own firearm and ammunition, your cost will be \$10.00.

Please register for these events, prior to shooting dates, by calling Jason Grimm at 269-927-1793.
